

## 8th Annual Electric Elle Tournament: Sponsorship Opportunities

Electric Elle brings together women of the electrical industry for a round of golf followed by dinner and awards. This annual event is open to players working in all areas of the electrical industry, such as electrical contracting, distribution, and manufacturing.

We are seeking sponsors for the 2024 Annual Electric Elle Golf Tournament. This is a unique branding opportunity - your logo will be prominently displayed on the item(s) of your choice, as well as being included in our list of sponsors in the registration area and the reception / dining room.

Help us make this a successful and memorable event for all women in the electrical industry!

**If you would like to participate, or for more information, please contact the sponsorship team:**
