11th Annual Electric Elle Tournament: Sponsorship Opportunities

Electric Elle brings together women of the electrical industry for a round of golf, followed by dinner and awards. This annual event welcomes players working in all areas of the electrical industry, including electrical contracting, distribution, and manufacturing.

After our 2025 tournament sold out in less than two days, we're thrilled to announce that Electric Elle 2026 is coming back bigger than ever and is expanding to two 9-hole courses with 144 golfers!

We are currently seeking sponsors for the 2026 Annual Electric Elle Golf Tournament. This is a unique branding opportunity. Your logo will be prominently displayed on the item(s) of your choice, as well as included in our list of sponsors featured in the registration area and reception/dining room.

Join us in helping make Electric Elle 2026 another unforgettable event, celebrating and connecting women across the electrical industry!

If you would like to participate or for more information, please contact the sponsorship team:

Maria Ciric | maria.ciric@prysmian.com
